

REMARKS

Reconsideration and allowance of the present application are respectfully requested.

Claims 1-4 and 6 remain pending in this application. Claim 5 has been cancelled.

Claims 1-4 and 6 were previously allowed in this application.

In response to the rejection of dependent claim 5 under 35 USC 112, second paragraph, the applicants respectfully submit that the phrase "wherein the agrohorticultural composition is an insecticide" would be clearly understood by a person of ordinary skill in the art, within the context of the base claims. However, in order to expedite the prosecution of this application, claim 5 has been cancelled.

Withdrawal of this rejection is accordingly requested.

With the cancellation of claim 5, only previously allowed claims 1-4 and 6 remain pending in this application. Accordingly, in view of the above, and there being no other objections or rejections, the applicants submit that this application is in condition for allowance and a Notice to that effect is respectfully requested.

Respectfully submitted,

Manelli Denison & Selter, PLLC
